

ACEM Scientific Meeting (Victorian Faculty)

Friday 23rd March, 2012

9.00am – 4.30pm

Charles Latrobe Lecture Theatre, The Royal Melbourne Hospital

Department of Epidemiology and Preventive Medicine (DEPM), Monash University

Transportation: The Royal Melbourne Hospital City Campus is located in Grattan Street, Parkville, between Flemington Road and Royal Parade. It is just north of the city's central business district. (Melway ref: Map 2B, B7).

Public Transport

Tram:

Catch the number 19 (North Coburg) or 59 (Airport West) trams along Elizabeth Street, or the number 55 (West Coburg) tram along William Street from Flagstaff Station. Tram 19 stops at the corner of Royal Parade and Grattan Street. Trams 55 and 59 stop at the corners of Grattan Street and Flemington Road.

Bus:

The 402 bus (East Melbourne - Footscray via North Melbourne) stops outside the hospital in Grattan Street. For more information about public transport, you can call the MET Information Centre on 131 638 or visit www.metlinkmelbourne.com.au.

Cars and Taxis

Taxi: There is a taxi rank located directly outside the main entrance on Grattan Street. There is a disability access ramp on the Emergency side of the front entrance.

Cars: please note the hospital car park has limited spaces and one should not expect to find parking care of the hospital car park.

There is limited short-term metered parking on the streets around the hospital.

Other parking options include:

- Victoria Market Parking:

<http://www.secureparking.com.au/displaycarpark.aspx?carparkid=176>

- Melbourne Museum Parking:

<http://museumvictoria.com.au/melbournemuseum/visiting/getting-here/>

Parking for the Disabled:

Limited street parking is available for people with a disabled parking permit outside the main entrance in Grattan Street. In addition, there are 20 reserved disabled parking bays in the underground car park. You can use the drop off point near the car park cashier's window on level 2 of the car park. Wheelchairs can be borrowed from the Volunteers' Desk in the hospital's central lift foyer if you need one.
